# Professional Business Valuation COURSE

Organised jointly by The Business Valuers Association of Malaysia (BVAM) & The International Association of Certified Valuation Specialists (IACVS)

**BVAM**

(Charter Member of IACVS)

**KUALA LUMPUR, MALAYSIA****22– 24 FEB 2019 (COURSE) & 9 MARCH 2019 (EXAM)  
(TENTATIVE DATES)**

This is a Course for ambitious up-and-coming and even seasoned practitioners who want to bolster their skills to create and maintain a thriving practice and acquire an international qualification in Business Valuation and be involved in business valuations in ASEAN. It will provide the fundamentals of each approach to valuation, together with limitations and caveats on the use of each, as well as extended examples of the application of each. At the end, participants should be able to

- Understand the Valuation Process – and carry out business valuations including for intangible assets
- Value “problem” firms, such as financially troubled firms and startup firms
- Understand the DCF, Asset and Market Approaches to Value
- Provide Critiques of these Approaches

In order to qualify for this Course and to sit for the IACVS Examination you must meet ONE of the following requirements:-

- be a Malaysian Registered Valuer or a recognized Valuer in ASEAN**
- have an Accounting Qualification/Experience**
- possess a Valuation Degree or any other University Degree**
