

Michael Badham
CPA, CA, CBV, CF

Canada

Michael is a highly accomplished Senior Executive, C-Suite Officer, Entrepreneur, Consultant, and Board Member with over 30 years of success across professional education, finance, steel, IT staffing, multi-media, entertainment, utilities, nuclear energy, aerospace, trucking, logistics, and online education.

Leveraging extensive experience in business valuations, corporate finance, angel investing, startups, and entrepreneurship, he is a valuable asset for active growth companies looking for leadership, rapid growth, change management, and fundraising. His broad areas of expertise include leadership; strategic planning; corporate financial management; forecasting; due diligence; audit reporting; M&A integration; restructuring; business and equity valuation; training; and e-learning.

He is a systematic problem solver, understanding stakeholder objectives, risks and opportunities. A natural team leader, he adds value to his clients through ensuring that detailed insightful analysis of issues is communicated in a clear and compelling manner.

He is the Executive Director of the International Institute of Business Valuers, Managing Director of the Georgian Angel Network, a founding partner, owner and Chair of the Board of Directors of Hardwood Ski and Bike Inc., and part-time lecturer at Georgian College.

Education: Mr. Badham attended the University of Waterloo, B Math (Hons), mathematics and business.

iIBV Voluntary Involvement: Mr. Badham is currently the Executive Director of the International Institute of Business Valuers; he is on the Marketing Committee, Education Committee and on the Board of Directors.

Professional Designations & Affiliations: CICBV – CBV, Business Valuations; CPA, CA
